

Dear Asian brothers in Yeshua (Jesus),

We are sending this letter to you in the names of several Asian Christian Organizations that are working for Israel and Messianic Jews, as listed below.

In October 2009, BZJ, on the top of the list, organized the first Asia Messianic Forum (AMF) in Japan, inviting three speakers from Israel, with guests from Korea, Singapore and Thailand. The conference was a wonderful success, as King David sung “How good and pleasant it is when brothers dwell together in unity!” (Psalm 133.1)

There were teaching sessions from a Jewish point of view, as well as response messages from leading local pastors. We also discussed how Jewish believers and Asian believers can work together. Then we held celebrations, for the Bible teaches us when the lost son came back to the Father’s house, the Father commanded his whole household to celebrate.

Since the first forum, the relationship among brothers in Asia, especially between Japanese and Korean brothers, has developed steadily through several exchanges. Therefore, BZJ and IMN have decided to host Asia Messianic Forum 2011, this time not only in Japan but also in Korea.

The theme of the upcoming AMF 2011 will be “One New Man” (Eph 2:15). This passage firstly means reconciliation and unity between Jews and Gentiles in Christ, but it should also include unity among Asian believers.

Therefore, we Japanese BZJ and Korean IMN are jointly calling upon our Asian brothers to attend the conference, hopefully both in Tokyo and in Seoul. A Singaporean organization called “One New Man Asia” has already decided to join the conference, adding their voices to our call to Asian brothers. Please come together and welcome our Israeli brothers in this historical conference!

The goals of the conference are two-fold.

Firstly, we want to open Asian Christians’ eyes to God's present purposes for Israel. Most Asian Christians are still heavily influenced by “Replacement Theology” and an anti-Israel viewpoint. Unfortunately, the organizers readily admit that Christians in Japan, Korea and Singapore are no exception. However, things have begun happening, and we believe it is time for us to do something to wake people up and let them see the new work of the Holy Spirit in Israel. When Israel-loving Christians throughout Asia come together and receive Israeli brothers, it will surely have an impact on people.

Secondly, we would like to build unity, network and communication. In the Last Days, those who stand with Israel will be persecuted, so we need to pray for each other and encourage each other. Besides, an Asian network has some practical benefits. Many Israeli leaders visit Asia frequently, but it is inefficient for us Asians to negotiate with Israel separately. If we work together, we can make their ministry in Asia more effective, allowing them “to kill *severa*/birds with one stone.”

So please, come join the Forum in Japan and in Korea. We would also like to offer you presentation time in some of the sessions. As the enclosed brochure explains, the conference will be held in three cities. In the Tokyo and Seoul meetings, we will include an international presentation time.

Although we cannot pay for your air tickets, we can arrange accommodation if you register early enough. Please contact us so that we can serve you most effectively. We will do our best to make your stay in the Far East enjoyable, memorable and worthwhile.

If you have any question and/or request, please feel free to contact us via phone/fax/e-mail.

We are looking forward to seeing you in Tokyo and in Seoul!

A Special Message from the Japan Conference Organizer:

This project hit a snag when the terrible earthquake and nuclear disasters struck Japan. However, we finally decided to have the conference by all means, because this kind of conference is especially important in such a time as this. Now we are doing our best to catch-up. As for the radiation, Tokyo is far from the contaminated area and we assure you that Tokyo is safe. Therefore, please come to the Tokyo meeting to encourage the Japanese believers!

We Japanese believers are well aware of the mistakes that our nation made before and during the World War II, and we are aware that these remain obstacles for the unity of Asia. In this regard, we deeply thank our Korean brothers who have decided to work with us. Let us therefore be the first to call our Asian brothers, with a servant spirit, to unity not only with Israel but among ourselves.

About AMF

It was the suggestion of Israeli Messianic Leaders that prompted the first Asia Messianic Forum (AMF2009) in Japan in 2009. Jewish brothers who had been lost for 2000 years are now being restored in the Body of the Messiah (the church). The purpose of this conference is to spread this news to as many Christians as possible. Two thousand years ago, Jewish brothers decided to accept us Gentile brothers (Acts 15), and now it is our turn to accept our Jewish brothers (Romans 11).

In 2009, more than 100 organizations in Japan, along with representatives from three Asian countries, welcomed Messianic Jewish leaders from Israel. It was a wonderful occasion as we praised the Lord together.

AMF2011 will be even greater, with Korean groups and Japanese groups working together. Please join this historical conference in which Israel-loving Asian Christians are united!
